Microdermabrasion Plus Set

1 After cleansing, apply a small amount of Microdermabrasion Refine to wet face with fingertips. Using circular motions, gently massage over face. Rinse thoroughly with warm water and pat dry.

2 Microdermabrasion Refine is a physical exfoliator that reduces the appearance of fine lines and gently refines skin's texture as it removes surface dead skin cells and build-up from pores.

3 Use fingertips to apply 2-3 pumps of Pore Minimizer to face in an upward and outward motion. The Pore Minimizer can also be used daily, twice a day, to reduce the appearance of pores.

4 Pore Minimizer goes beyond skin texture to tighten the look of pores. With pores cleared of build-up and dead skin cells, Pore Minimizer works immediately to reduce their appearance. And the results get better over time.

5 The Pore Minimizer nourishing serum helps calm and comfort skin. It's the perfect after-step to Microdermabrasion Refine to reduce any appearance of redness and soothe delicate skin. Working together 2-to-3 times a week, both products dramatically improve skin texture for a high-definition-worthy complexion.

Use 2-3 times per week
